DOCKET FILE COPY ORIGINAL

Dear Commissioners;

I have been a broadcaster in small Tennessee Towns since May 30, 1950.

I was struck with the 8090 docket which I thought was a total mistake and I have since talked with FCC Commissioners who felt it had been a total mistake.

So Please don't let us make another mistake with RM-9208 and RM-9242.

Due to date, I submit this as "Reply Comments".

Sincerely,

Arthur Wilkerson, Pres.
